Re: Freedom of Information Act (FOIA) Request
Number 10-RIN-01439-94

Dear Mr. Levasseur:

This letter is in response to your Freedom of Information (FOIA) Request for Pasco Sanitary Landfill, FOIA Number 10-RIN-01439-94, dated October 11, 1994.

In a telephone conversation with you on October 18, 1994 Lynda Priddy of my staff explained that the Washington State Department of Ecology (WDOE) has been identified as the "lead" for Pasco Sanitary Landfill. As lead WDOE is not only conducting the investigation and remediation of the site but is also the decisionmaker for all activities at the site. The site file and administrative record and thus the information you requested about the site is in the possession of the WDOE. The Site Manager for the site is Guy Gregory. His telephone number is (509) 456-6387.

Ms. Priddy suggested that you contact Mr. Gregory for the information you requested. If you have any other questions, please call Ms. Priddy at (206) 553-1987. This concludes the EPA Region 10 response to FOIA request number 10-RIN-01439-94.

Sincerely,

for 
Michael F. Gearheard, Manager

Our File No.: 100-9088

Dear Mr. Kievit:

I am writing pursuant to the Freedom of Information Act to request the disclosure of any Consent Decree applicable to this site as well as a current PRP list. In addition, we want to obtain copies of any documents which indicate the remediation cost for the site, identify the PRPs for the site and/or provide the PRP allocation. Once a determination is made as to which documents will be available for our review, please call me.

It is my understanding that you will review this request and respond within ten (10) days, indicating the type of approximate number of documents to be made available to us. Should you have any questions regarding this request, please feel free to contact the undersigned.

Thank you for your assistance.

Very truly yours,

Guy J. Levasseur
